

Harvest Moon Bakery - Weekly Planning Meeting

Date: Tuesday, 6 October 2026

Attendees: Maria Lopez, Tom Becker, Priya Shah, Dev Patel

Notes taken by: Priya

1. Wholesale orders

Maria said Cedar Cafe wants to start ordering sourdough every week.

Maria: I'll send the wholesale price list to Cedar Cafe by 9 October 2026.

Tom will order the flour and yeast by Friday.

The current sourdough price stays at 6.50 per loaf. We agreed to keep it until January.

2. Shop and equipment

Priya will update the allergen labels on the display cases.

Someone needs to repaint the shop sign before October 20.

Action: call the plumber about the slow drain in the back kitchen.

Dev to confirm the delivery slot with the van driver next Friday.

Tom: Maybe we could look at a second oven someday, but nobody is taking that on.

3. Opening hours

Decision: the Saturday opening time moves to 7:00 am starting in November.

Open question: should we start selling oat milk drinks? Nobody knew the supplier price yet.
